

Hello,

Thank you for your interest in joining the Plano Sr. golf team.

This is a competitive golf team, it is not a PE class or for beginning golfers. We practice every day at a golf course and you must provide the transportation at 3:25 each day from your campus to the golf course.

Our men's team shoots below 100 and our women below 110.

If your daughter/son cannot shoot these scores on a consistent basis or you cannot provide transportation you may need to contact the counselor at school to change their schedule.

Our varsity boys shoot in the 70's- or low 80's.

Varsity girls shoot in the 70's and 80's.

You will need to play in Jr. Tournaments during the school year to improve and prepare yourself for competitive play on our team. One a month is recommended and at least 6 in the summer. Our players also all have a professional swing coach as well.

Juniors and seniors also need to be enrolled in 0 period. This allows them to get out to the course sooner for tee times. Freshman and sophomores need to enroll in Coach O'Kelley's 7th period golf class.

Our website has a lot of helpful information about Jr. Organizations and much more about our team. Please check it out if you wish.

Information for 1st week of school:

Monday – Physical and Medical History is due. The first day we will meet in the Lecture Hall at Plano Sr. High in Bldg. B, just off Independence, west side of campus. There is a shuttle bus available at Clark and Vines for all athletes from every sport. The bus will leave from their campus after 6th period around 3:25 and drive the kids to Plano Sr. gym entrance. They will walk across campus to Building B. Our meeting will be from 3:50-4:40. You may drop off and pick up in the small west parking lot. You will need to avoid the bus lane and traffic at the end of school. Students are released at 4:15.

Tuesday - The second day of school we will begin tryouts at Twin Creeks. We will play 9 holes. You will need to provide transportation at 3:25 from your campus to the golf course each day. All rounds should be completed by 6:30 for tryouts. Girls will play from the red tees and boys the black/tips.

Wednesday and Thursday - We will continue tryouts at Watters Creek. All times and transportation should be the same as Tuesday. Girls will play from the red tees and boys the black/tips or the men's/blue tees.

Friday - We will meet at Twin Creeks. Students who do not make the team will be notified and may go see the counselor to change their schedules.

If you do not make the team we can ask the counselors to change your schedule. Off campus PE is an option you may wish to investigate.

I will copy and paste much more details below from previous communications for your consideration:
